Page Accelerate

**You want to scale your business.
We're here to unleash your potential...**

We believe securing talent is the one true catalyst to scale your business. We know this as we advise founders and investors every day on their talent strategy. Having scaled over 500 businesses in just the last three years, we've learned a thing or two about which hires accelerate your growth and what risks are worth taking.

Page Accelerate is a cost sensitive solution, tailored to your scale up's specific needs, giving you unlimited access to PageGroup's global brand, data platform and expertise.

As passionate members of the scale-up community, we understand that your culture, funding and time are all equally as precious.

Page Accelerate was created to partner with you at every stage of the journey.

You want to scale your business. We're here to unleash your potential...

Culture

You find the Product: Market fit, we find the Human: Team fit.

To maximise alignment, we embed our talent partners onsite as an extension of your business making the hiring process effective and inclusive for you and your candidates.

Culture eats strategy for breakfast, lunch and dinner!

Pricing

We want to collaborate to build long term relationships.

Our solutions are backed by transparent fixed pricing that adapts to your level of funding.

Whether you are a pre-seed start up looking for pro bono advice, through to a series D unicorn looking for a deal team to IPO, we've got a bespoke solution to meet your needs.

Marketing

You have the next big idea. We have the platform to tell the world.

LinkedIn have repeatedly named us globally their 'most connected recruiter'. We are connected with over 2M potential hires on social media in the UK alone.

With a global presence in over 36 countries and 150 cities worldwide, Page Accelerate can attract talent from all corners of the world.

Expertise

We live scale ups. 55% of PageGroup's clients are SMEs. We match your agility to deliver at pace, placing a candidate every 4.5 minutes.

From CTO to VP Sales to General Counsel, we have 25 specialist divisions operating as boutiques to find you the niche talent in your market.

We aren't going anywhere – Page Accelerate is backed by a FTSE 250 that has scaled businesses for over 40 years.
